

DDF will implement **TEAL** (Total Economic Activity Levy) creating tax equity for all South Africans.

- **TEAL** should raise sufficient revenues for the State as needed to fund all the economic, political, security and social needs of the country (including the proposed Senate (cf)), repay all the National Debt and Service Costs within 5 years of implementation and operate a balanced budget.
- For more information on **TEAL** go to <http://ddforum.co.za/policies/teal>

DDF will implement the proposed **SENATE** bringing direct democratic representation for all South Africans.

- The purpose of the **SENATE** is to act as a filter for ordinary opinion so citizens can, by a process of Deliberative Democracy, approve or reject regulation and laws proposed by the government of the day.
- For more information on the proposed **SENATE** go to <http://ddforum.co.za/policies/constitutional-affairs/senate>

DDF will initiate policies of **ECONOMIC FAIRNESS**:

- Invest heavily in education and training (particularly for the youth and the unemployed)
- Engage every South African in SA's economy so they can benefit from that engagement.
- Create an ethos of mutual reliance and respect between Capital, Labour and the markets in SA. to their common benefit

DDF policies will:

- Tax all participants in SA's economy fairly and equitably.
- Restore politics to the people.
- Provide opportunities for all South Africans to live their lives productively and with safety and dignity
